

# DANGEROUS GOODS NOT PERMITTED

In accordance with International Law (IATA Dangerous Goods Regulation) the goods listed below are classified as 'dangerous' and not allowed for shipment by Air. Many items which may appear harmless in everyday use can pose dangers on aircraft and are consequently forbidden for transport by Air Navigation (Dangerous Goods) Regulation 2012.

In the UAE the GCAA (General Civil Aviation Authority) is the governing body responsible for the compliance of these rules. Failure to follow requirements may endanger the aircraft, its occupants and the result in the prosecution of the person responsible under the Air Navigation (Dangerous Goods) Regulations.

## The following goods are classified as DANGEROUS and not permitted

Goods travelling by 'Cargo' (this Shipment) are subject to different restrictions to those travelling as carry on luggage, as checked baggage (at the airport) or carried on your person at the flight. All items that travel by air are screened to check for compliance. If you have contravened these regulations and such items are found in your shipment, your shipment will be halted and you will be charged a fee and the shipment will continue to be delayed until such charges have been paid in full. You will also incur a **AED 180 admin penalty**.
